Can complete purchases

Can view financial reports

Set approval PIN

Role

- 1

Invite

Add an account or send an email invitation.
- 2

Assign

Choose Owner, Manager, Staff, or Viewer.
- 3

Refine

Grant purchasing and financial-report access separately.

Switch staff on a shared device

PIN switching applies the selected member's real permissions and attribution.

Switch staff member

Enter the PIN for the person taking over this shared device.
Their permissions and activity attribution apply until you return to the signed-in account.

PIN

Cancel

Switch staff

- 1

Open

The signed-in owner or manager opens Staff Switch.
- 2

Enter PIN

The staff member enters their own unique PIN.
- 3

Operate

Vendor OS applies that member's permissions.
- 4

Return

End the staff session to restore the signed-in owner.

Protect below-floor sales

A staff member needs manager or owner approval when a sale violates the protected minimum.

Current sale

Receipt number is assigned when the sale completes

📦

Search or tap an item to begin.

1

Detect

Vendor OS checks the applicable profit floor.

2

Approve

A manager or owner enters an approval PIN.

3

Audit

The exception and acting member are retained.

Vendor OS | Team Tier Guide

5

Read team analytics

Use the 90-day view to connect sales, purchases, trades, and events to staff activity.

- 1 Compare**
Review sales and gross profit by member.
 - 2 Trace**
See purchases and trades by acting staff.
 - 3 Audit**
Use recent activity when a total needs explanation.

Share operational queues

Team members can collaborate on repricing and pull-list work within their permissions.

1

Assign
Use the same queue and status language.

2

Protect
Keep floor overrides under approval.

3

Finish
Update stickers and resolve holds.

Team owner checklist

Keep access intentional as the organization grows.

WEEKLY

Review members, PIN status, approvals, and recent audit activity.

PER EVENT

Confirm active event and staff permissions before doors open.

PAYMENTS

Square and Stripe connections remain organization-owned.

NEED STORES

Move to Shop for physical balances, transfers, registers, and Square stock sync.
